Ivan Liuzzo · World Première

5

Dialogue, 3rd Version

Werner Kaegi

6

Khatulistiwa (2026)

Krishna Sutedja · World Première

ABOUT

Contemporary Music for Gamelan emerges as a parallel dimension of the already established Gamelan Community Gathering, founded by Sara Andreacchio and Sigrid Winter of Gamelan Saraswara Basel.

Not a continuation — a different question posed to the same instruments.

This first edition focuses on the theme of reduction: solo works and small ensembles that draw attention to individual voices, isolated timbres, and relationships between instruments rarely heard in such close proximity.

Tickets & Info
